HERMES PLAZA

This stunning, state of the art building is located near the central business district of Limassol, surrounded by an array of commercial offices, financial institutions and a large selection of showrooms. Conveniently located on the corner of Spyrou Kyprianou Avenue and Ayios Athanasios Road in Ay.Athanasios area, its direct access to the city center, sea front and all other major towns on the island, make it an excellent investment opportunity.

This hi-tech building, embraces the latest technological advancements in construction while at the same time offering a stylish, comfortable yet functioning work environment.

With great experience in the design of commercial buildings, we have encountered the shifting needs of corporate organizations. The ground floor with mezzanine, can be utilized as either retail showrooms, shops or office area, suitable for organizations that need direct exposure to the public. Also, the three floors of open plan offices above, allow easy modification of spaces, producing a work environment that will inspire and motivate. Its under ground parking is able to accommodate the needs of clients, employees, as well as visitors. Complying with the latest European building regulations, using only the best quality materials and ensuring the highest standards of workmanship and finishes, this building will speak volumes about your company.

Completion: December 2010
